Songs of Deliverance by His Name – Victory and Refuge in the Lord

Song 1 O Lord, save me by Your name

O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight
O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight

Hallelujah, Hallelujah, Your name guards me through
Hallelujah, Hallelujah, Your judgment makes me new

Strangers rise against me, their fury in my face
Fierce men seek my soul, in ruthless chase

Hallelujah, Hallelujah, Your name guards me through
Hallelujah, Hallelujah, Your judgment makes me true

O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight
O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight

O God, You are my helper, my soul's steadfast friend
O Lord, You uphold me, on You I depend

Hallelujah, Hallelujah, Your name guards me through
Hallelujah, Hallelujah, Your judgment makes me true

O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight
O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight

To my enemies, evil for evil I repay
By Your truth, O Lord, You make them fade away

Hallelujah, Hallelujah, Your name guards me through
Hallelujah, Hallelujah, Your judgment makes me true

O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight
O Lord, save me by Your name, your power judge my right
O God, hear my supplication, give ear to my plight

With gladness I have offered sacrifice of praise
O Lord, I will sing Your name all my days

Hallelujah, Hallelujah, Your name guards me through
Hallelujah, Hallelujah, Your judgment makes me true

O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight
O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight

You have delivered me from all my distress
My eyes have seen the defeat of my foes, Your righteousness

Hallelujah, Hallelujah, Your name guards me through
Hallelujah, Hallelujah, Your judgment makes me true

O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight
O Lord, save me by Your name, Your power judge my right
O God, hear my supplication, give ear to my plight
